NOTICE REGARDING EVIDENTIARY HEARING TRANSCRIPT

The Department has received a redacted public version and an unredacted confidential version of the evidentiary hearing transcript for D.T.C. Docket No. 13-6 held on April 30, 2014 and May 1, 2014. The unredacted confidential version of the transcript does not differentiate between information that is "Confidential Information" and information that is "Highly Sensitive Confidential Information," ("Highly Sensitive") as defined in the non-disclosure agreements adopted in this proceeding. Accordingly, the Department will treat the unredacted confidential version of the transcript as Highly Sensitive.

Participants seeking to create a partially redacted "Confidential Information" version of the transcript, wherein only information designated Highly Sensitive is redacted, should submit a proposed "Confidential Information" version of the transcript to the Department on or before June 4, 2014. All proposals must include a table identifying the page and line numbers of the unredacted confidential version of the transcript participants assert contains information that should be designated as "Confidential Information." Oppositions, if any, are due within seven (7) calendar days after service of the proposals.

In addition, the Department believes that some non-confidential information is redacted in the current public version of the transcript. The Department intends to remove the following redactions from the public version of the transcript as the listed lines of the transcript appear to

contain public statements recorded while the record was designated confidential. Oppositions to the Department's proposed changes, if any, are due on or before May 22, 2014. The portions of the transcript identified below will remain confidential pending the Hearing Officer's determination on the oppositions.
